

FISCAL NOTE

SB 1368 - HB 1306

March 14, 2007

SUMMARY OF BILL: Requires any elective cosmetic surgery patient to provide a physician with informed consent prior to the surgery.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures – Not Significant
Increase State Revenues – Not Significant

Assumptions:

- The Department of Health will not incur a significant increase to expenditures due to the regulation of the provisions of the bill.
- The Board of Medical Examiners and the Board of Osteopathic Examination will not incur a significant increase in expenditures to formulate and provide a list of the common risks of the five most frequently performed cosmetic procedures in the state.
- All Health Related Boards, by statute, are self supporting such that revenues equal expenditures.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James W. White". The signature is fluid and cursive, with the first name "James" written in a smaller, more compact script than the last name "White".

James W. White, Executive Director
